John Carroll University Integrative Core Curriculum guide for Cuyahoga Community College courses

The following are courses that will transfer in to JCU and satisfy our integrative core curriculum requirements. However, certain majors may require students to take particular courses to fulfill certain requirements. The list of JCU majors can be seacurriculum, which waives the foreign language, distribution, and some of the

foundational competencies belowthough that which is remaining must be taken at JCU and cannot be transferred in. The transfer core policy (including what requirements are included in this abbrecore) can be found at: bulletin.jcu.edu/generalrriculumandthe-integrativecore/undergraduate-integrativecore-curriculum/integrativecore-curriculum/transfercore-policy. Students may only transfer up to 60 credits from a community college toward their JCU degree.

John Carroll University requirement	Cuyahoga County Community College equivale
Foundational @mpetencies	
Written Expression (8 credits)	ENG 1010 & 1020
