

The Dr. AJ Cianflocco and Mary Anne Garvey Pre-Med Experience Scholarship

Unlock Your Potential with Research, a Medical Immersion Experience in Honduras, and MCAT Preparation

Join this pre-med program established by Dr. AJ Cianflocco ('72) and Mary Anne Garvey ('77) to equip aspiring physicians with the essential skills and experiences for a successful medical career.

Program Highlights:

1. Research: Summer I

Engage in cutting-edge medical research projects, work under the guidance of esteemed faculty mentors, gain hands-on experience, and contribute to advancements in healthcare.

2. Medical Immersion Trip to Honduras: Summer II

Immerse yourself in a unique medical environment, work alongside healthcare professionals in Honduras, gain a global perspective of healthcare in rural Honduras, and develop cultural competence and an understanding of others.

3. MCAT Preparation:

MCAT preparation materials will be provided to help you achieve your best score and unlock your pathway to medical school.

Eligibility – Applicants must be in their first or second year, majoring in Biology or Cell and Molecular Biology, and intend on applying to medical school. A 3.5 or higher GPA is recommended.

Application – Apply at
